Save as draft

Publish Now

Timing Certificate:

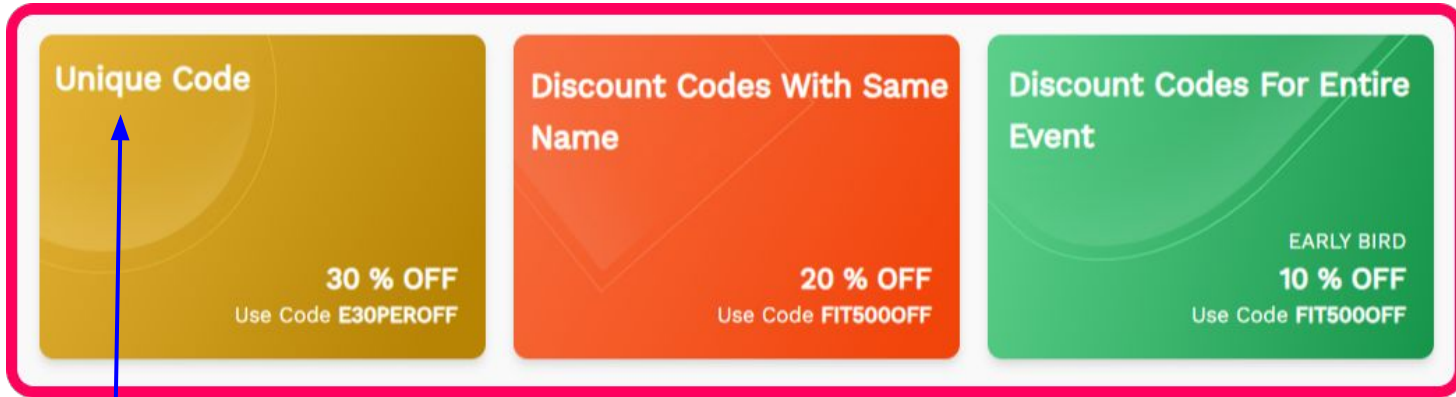

- When activated, this section will request a timing certificate/link from your audience.
- This will help you verify your participants finish time against your race qualification criteria.

A screenshot of a web form interface. The form has a light blue header bar. Below the header, there is a white area containing two buttons: a light blue button labeled 'Save as draft' and a red button labeled 'Publish Now'. A red arrow points from the text 'your audience to view.' to the 'Publish Now' button.

After filling in all the required details, you will have a choice to either save the event as a draft in case you have any details that require alteration.

If the details are confirmed, you can publish the event for your audience to view.

3. DISCOUNTS & COUPONS

3.1 Unique Code Discount

A "Unique code discount" refers to a type of discount code that can be used multiple times by various customers. It is not restricted to a single user and can be redeemed by anyone who has access to the code. This type of code typically offers a fixed discount or percentage off the total purchase price and can be applied during the checkout process when making a purchase online.

Categories * 3 KM Run x 5 KM Run x 10 KM Run x 15 KM Run x

Coupon Name *

Coupon Code *

Discount * % or

Redeem Count *

Start Date * Start Time * [Now](#)

End Date * End Time * [Event Date](#)

Unique Code Discount

- Kindly input the required information as displayed on the screen to generate the discount coupon. Ensure all necessary details are accurately provided for coupon creation.
- Once the details are confirmed, you have the authorization to publish the coupon. Please proceed accordingly.

Once the list code discount is published, you can view the coupon details below.

Coupon Name	Type	Tickets	Value	Quantity	Expires On	Status
IR100	Unique Code Discount	15 KM Run,3 KM Run,5 KM ...	30%	1	April 4, 2024	Edit Copy Code

How to edit and download published List coupon codes:

1. Select the option below to modify the expiry date, start date, or redeem limit.
2. Users can easily copy the coupon code by clicking on the "Copy Code" button.

3.2 Discount Codes With Same Name

A "Discount Codes With Same Name" refers to a type of discount code that is assigned to a specific list or group of participants. Unlike a single code discount, which can be used by anyone, a discount codes With same name is unique to a particular set of individuals. Typically, these codes are distributed to a specific group of customers or members and can only be redeemed by those who have been provided with the code. This type of code is useful for offering exclusive discounts to certain segments of your customer base or for targeted marketing campaigns.

Categories * 3 KM Run x 5 KM Run x 10 KM Run x 15 KM Run x

Coupon Name *

Amount * % or

☐ Have List of codes?

No. of Unique Codes *

Redeem Count per Coupon * Prefix (Optional)

Start Date * Start Time * [Now](#)

End Date * End Time * [Event Date](#)

Discount Codes With Same Name:

- Create distinct discount codes, allocate them to designated participant groups, and distribute them solely to these individuals. Ideal for providing exclusive discounts to specific customer segments or for targeted marketing initiatives.
- Once the details are confirmed, you have the authorization to publish the coupon. Please proceed accordingly.

Once the list code discount is published, you can view the coupon details below.

Coupon Name	Type	Tickets	Value	Quantity	Expires On	Status
IR20	Discount Codes With Same Name	15 KM Run,3 KM Run,5 KM ...	30%	1	April 4, 2024	☒ Edit Download

How to edit and download published Discount Codes With Same Name:

1. Select the option below to modify the expiry date, start date, or redeem limit.
2. Click the download button to export the list of codes in an Excel sheet.

3.3 Discount Codes For Entire Event

"Discount Codes For Entire Event" on event tickets typically refers to a promotional offer where discounts are made available to all potential ticket purchasers without any restrictions or limitations. This implies that anyone purchasing tickets during the promotional period can benefit from the reduced price, similar to an "early bird discount."

Categories * 3 KM Run x 5 KM Run x 10 KM Run x 15 KM Run x

Coupon Name * EARLY BIRD

Amount * 10 % or Discount amount

Coupon Code * EARLYBIRD10PEROFF

Start Date * mm/dd/yyyy Start Time * --:--:-- Now

End Date * 03/dd/2024 End Time * --:--:-- Event Date

Save as draft Publish Coupon

Discount Codes For Entire Event

- Set a discount amount or percentage and define a validity period, then universally apply it to all event tickets, similar to an early bird discount offer..
- Once the details are confirmed, you have the authorization to publish the coupon. Please proceed accordingly.

Once the discount codes for entire event is published, you can view the coupon details below.

Coupon Name	Type	Tickets	Value	Quantity	Expires On	Status
EARLY BIRD	Discount Codes For Entire Event	15 KM Run,3 KM Run,5 KM ...	10%	-	April 4, 2024	Edit Copy Code

How to edit and download published discount codes for entire event

1. Select the option below to modify the expiry date, start date, or redeem limit.
2. Users can easily copy the coupon code by clicking on the "Copy Code" button.

4. HOT LEADS

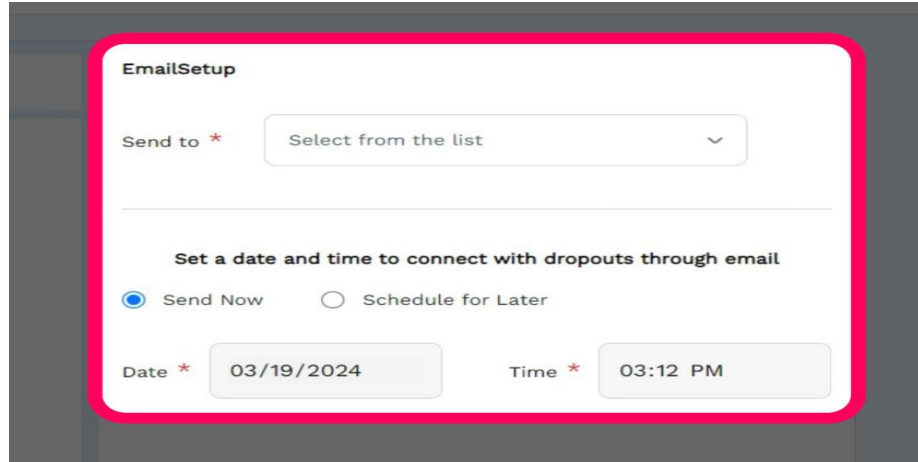

9 Non-Registered Participants

Notify participants who have shown interest in the race but have not finalised their race registration by sending a reminder email.

EMAIL HOT LEADS

Hot Leads:

- Hot Leads - People who partially register for your event. They enter their details but do not proceed to checkout and leave the registration process midway.
- You can get in touch with them using the “Hot Leads” page.

A screenshot of a web form titled "EmailSetup". The form is white with rounded corners and a pink border. It contains a "Send to" field with a red asterisk and a dropdown menu showing "Select from the list". Below this is a section titled "Set a date and time to connect with dropouts through email" with two radio buttons: "Send Now" (selected) and "Schedule for Later". At the bottom, there are "Date" and "Time" fields, both with red asterisks. The "Date" field shows "03/19/2024" and the "Time" field shows "03:12 PM".

EmailSetup

Send to * Select from the list

Set a date and time to connect with dropouts through email

☒ Send Now ☐ Schedule for Later

Date * 03/19/2024 Time * 03:12 PM

The process:

1. A template message will be prepared for your audience who have dropped out.
2. Select the message and click "Hot Leads".
3. EmailSetup
 - Click the send to option.
 - This option will allow you to target an audience depending on when they dropped out.
 - Choose the date & time window/range of the dropouts you want to target.
 - Choose the date and time you wish to email the Hot Leads.
 - Click send
